blood but really the whole group of us
are very clean
at the WINZ offices we're

waiting 2 hours
as if no sun / to
get
I am the worst I do
I'll look for the
but I gotta be
■

it's just like at school I wanna prove I'm
want them to talk to me, so, I just stuck waiting
for my 20 minutes whatever is happening now I
don't understand the movement here Please how do I apply for accomi suppl like, all words
are worthy even specific concave ones like lightly spark
ling spring water.
with my legs in the sun
not to mind
make me a more
smudges on my
peaceful person
vision
singing
burn hair, bend down
little bits
brown at the tips leaves
you
cause you're mean and probably don't love

leave
more
glitter
more
change your self-
self
I don't know how I can say stop
-stop
circle
everything does is the same
-same

You know what I think I think poor poor vulva, I keep my pussy stone on your
vulva flower and in a soft bag an aunty gave me. My aunty is not the aunty who
takes a tea bag home from the café to use again,

[Redacted text block]

Keep the dust on
the top layer of the bedcovers
don't let it drift

to the floor very clean.
Paint fingernails pink
sun.

Wish to be even a tiny bit relaxed and say:
the owl of Minerva arrives
after and be

the owl.
Fruit and vegetables are
perceived as being feminine;

flower is a
synonym for
bestquality of lightpink to purple, or back

non-compliance with
the . . . living
foam flower

upper-middle
class cunt(s)
do I have pollen

on my face?

Cream
Deodorant
Mussels
Crackers
Apples
I have decided to stop judging others

relation of theft,
You have to take the plastic sleeves and give them to the community
If you don't know who your community is you have to start with asking about that
I have identical tears
I have to stop

Like she holding onto sow thistle flower buds to not fall away into the sky whoosh

HAZELMERE KOALA BEAR

CALLED

GENTLE

I guess tomorrow. Hi

indifference surpassed I did.

move away. picks up a slug with her bare hands and then sprinkles the leaves with white powder, sea-shells glittery-eyes (interpose), looking for someone-else-to-talk-to, or, scared (cgkhhhhh.)

blank blank liedown foam flower **just try to**

keep your jewels on. She does she starts to get it up under the leaves, she shakes them with her hands / and they love her

You're amazing (you're so lovely). can't wait

day,

let it go. **Soothing mechanical squeal keep coming**

I haven't even washed my uniform
I
won't stay at home. energetic wrist everywhere
stars, ghosts How
did the story turn out,
I don't know how the story
turned out, I wanna
say you
guess so
guess maybe some seeps out
and you learn who I am,
too.

Isle of Apples, Like, lack of
guile 100% and force
a uni counsellor to say:
star star
star star star star
star star star star
star star o there's so
many people moving around visible clean become irridescant
& constant, tooJust by pretending right now. And give
seven more days to write,
four more days to write.

the room has two beds one is for sleeping one

is for working I / think I have slept in the one for working I

tap out words

like I'm riding a bike.

my hands feel like

It's not an insult

maybe it's just

some water.

washes out or, is crushed

by encumbering feelings I'm *okay*. Since

kind of weird? I start talking

my bike a lot.

bike a lot

to you

That's okay

That's okay, I

just really hope-

.....
quick before the feeling

nothing really, I don't even really

love

or

Thanks!

hello

swooping or

good

I never said get lost well

hello

Don't be afraid

Or

soaring and the sky
indebted to you

With many thanks to many friends,
supporters and collaborators
without whom this publication
would not have been possible.
